Appendix VI  Maps

The Arctic
Siberia
Beringia
Greenland
Svalbard
Antarctica
Legend

- Fix points, GPS
- Fix point, surveyed
- Radio Mast
- Building
- Wharf
- Area free of permanent ice and snow
- Contour lines on ice-free areas (5 m equidistant)
- Contour lines on ice-free areas indicating 50 meters intervals
- Contour lines on ice or permanent snow (5 m equidistant)
- Contour lines on ice or permanent snow indicating 50 meters intervals
- Steep slope (inclination bigger than 1:1)
- Steep slope (inclination between 1:1–1:2)
- Steep slope (inclination between 1:2–1:3)
- Steep slope (inclination between 1:3–1:4)
- Steep slope (inclination between 1:4–1:5)
- Steep slope (inclination between 1:5–1:6)
- Blue-ice area
- Narrow ice ridges (8 meters wide)
